TUKAANI

Designer Lincoln Kayiwa, takes creativity to the next level with his Tukaani creation which is actually a handmade sterling silver pair of chopsticks that has been attractively packaged. This pair of chopsticks brings a sense of style and sophistication to any themed dining table. It's unique and unexpecting concept gives one more freedom to play around with various styling techniques when setting the table. The pretty packaging makes a pretty decorative item to be left on the table all year around.
